

**Introducing the  
only ADA product  
that pays for itself.**

A graphic tile from the ADA product line is shown installed on a train platform. The tile is white with a blue dot pattern and features the 'Boston Coffee House' logo. The word 'Boston' is in a green, cursive font, with a brown coffee bean icon replacing the letter 'o'. Below it, 'Coffee House' is written in a brown, sans-serif font. The tile is surrounded by yellow tactile paving.
